

# US 6 Edwards East & West FACT SHEET

---

On Tuesday, May 27, 2014, the Colorado Department of Transportation (CDOT) began a highway improvement project on US 6 that begins at the Avon roundabouts and continues approximately 8½ miles to the west through Edwards. United Companies was awarded this \$3.6 million project.

## Project Highlights

- Widening of US 6
- Bus stop improvements
- Storm water drainage system work
- Addition of left-turn lane

## Project Benefits

- Minimize delays along US 6
- Road resurfacing
- Shoulder treatment
- Drainage improvements
- Safety improvements
- Improved signage and striping

## Project Duration and Work Times

**Duration:** May 2014 – September 2014

**Start date:** May 27, 2014

**Hours of traffic impact:** Monday – Thursday, 6 a.m. to 4 p.m.; Friday, 6 a.m. to noon.

- Delays and single lane closures are expected, and speed limits will be reduced throughout the project.
- A minimum of one lane will remain open.
- Some night work should be expected.
