

[Parking on Homestead Streets](#)

Residents of Homestead are being reminded that per Eagle County, there is no parking allowed on Homestead streets or right-of-ways. This is enforced by the Eagle County Sheriff's Department, not Homestead. All Homestead roads and right-of-ways are property of Eagle County and are subject to their traffic codes, which include speeding and parking violations. Per Eagle County code and Homestead documents, parking on the streets and right-of-way's is illegal. Both Eagle County and Homestead rely on information from the public to direct patrols to illegal parking. If a neighbor sees illegal parking on our roads, please request a directed patrol of a Sheriff Deputy at 479-2201. Homestead does not have the authority to ticket parking violations on County property. If the issue continues after a request is made to the Sheriff multiple times, please reach out to Homestead so we may investigate, and notify the owner by certified mail of the covenant violation. After multiple notifications an owner will be scheduled for a hearing at a Board meeting.

What to do if you notice someone parked on Homestead streets: Please reach out to your neighbor and kindly ask them to move their vehicle. If the problem continues, submit a directed patrol request via phone 479-2201, or via email: info@sheriff.eagle.co.us.

Please report speeding and stop sign violations to the Eagle County Sheriff via phone 479-2201, or via email: info@sheriff.eagle.co.us.

To review the Eagle County directed request page see:
https://www.eaglecounty.us/Sheriff/Administration/Directed_Patrol_Requests/

To apply for a parking variance with Eagle County see:
https://www.eaglecounty.us/Sheriff/Administration/On-Street_Parking_Requests/
(please also notify Homestead)
