Homestead Clubhouse is an action packed summer program for children entering kindergarten through fifth grades. Participants will enjoy a wide variety of daily activities that include: yoga, arts and crafts, show and tell, parks, hikes, special events, leadership development, positive social interaction, sports, teamwork games, and so much more! Homestead Clubhouse is limited to 20 campers per day, so don't miss out on this great experience. Included in the cost are a morning and afternoon snack as well as art supplies.

Homestead Clubhouse is proud to present a continuing theme that resonates in all camp weeks this summer: Exploration. Clubhouse camp will focus on encouraging creative thinking rather than providing answers, assist campers in developing problem solving skills and self sufficiency, and ultimately encouraging a much deeper level of learning. Campers will learn to hone in on their observation and identification skills through investigation. With the use of science, math, language, and the arts, campers will continue to learn throughout the summer with exciting activities.

Homestead Court Club Mission

The Homestead Court Club Clubhouse Program seeks to enrich the lives of children living locally. Homestead Clubhouse enhances learning by providing safe, supportive, and structured environments that support overall health and well-being. We offer creative programs that promote the social, physical, intellectual, and emotional development of children and youth.

Goals and Objectives

Our enthusiastic staff is committed to the mission, vision and values of Homestead Court Club. We strive to make camp active and fun, without focusing on competition. As required by the State of Colorado, a camper to staff ratio of 1 to 15 must be in effect. However, Homestead Clubhouse will make every attempt to provide a camper to staff ratio of 1 to 10, ensuring each camper will have increased interaction throughout the day.

Homestead Court Club Philosophy and Purpose

The Homestead Clubhouse Program provides a variety of experiences in a safe and positive environment in which children can learn, play and grow. The children are able to develop skills and self confidence by promoting sportsmanship, working in teams, and simply having fun.

Age Groups

Homestead Court Club Clubhouse caters to children ages 5-12 years old. We are able to accommodate children in kindergarten through fifth grades.

Camp Hours

Clubhouse Camp: 8:30AM- 5:15PM, Monday through Friday. Clubhouse Camp runs week long sessions.

Homestead Clubhouse Camp Overview

Holiday Closure Dates and Limited Hours

Camp is open beginning Monday, June 7th and ends on Friday, August 13th.

Weather Closures

When inclement weather becomes an issue, cancellation of the Homestead Clubhouse will be determined by the camp director and the Clubhouse staff. We will make this information available as soon as a decision has been reached. Please call the Homestead Court Club front desk after 8:00AM at 970-926-1067 to speak to the director or assistant director.

If the Homestead Clubhouse is closed due to weather, a charge will not be made for that day.

If the Homestead Clubhouse is closed early due to weather, the camp staff will notify parents as early in the day as possible. Parents will be responsible for picking up their children or arranging a ride home with an authorized adult. Credit will not be issued for partial camp days.

Special Needs

We will provide reasonable accommodations, modifications, and services in accordance with the needs of a camper's disability. Parents must communicate the child's physical, emotional, and/or cognitive needs with the Camp Director prior to the first day of attendance.

When We Can No Longer Serve a Child

We will notify parents/guardians in writing of any changes to our program, policies and procedures.

Campers may be suspended from the Homestead Clubhouse program for a period of days, or permanently withdrawn from the program for the following reasons:

- Excessive late pick-up (3 or more)
- Discipline/Behavioral problems (3 or more)
- Nonpayment of fees
- Uncooperative parents

Suspension may be more appropriate than withdrawal if the three disciplinary/behavioral offenses were over an extended period of time.

We reserve the right to refuse service or dismiss any child from the Homestead Clubhouse.

Unauthorized Adults

Campers will only be released to those adults who are listed as an authorized pick up.

HCC's Illness Policy for Children's Programs

It is often difficult for parents to know whether their children are too sick to attend Clubhouse programs. To limit the germs spread, please keep your children home when they are sick. Below you will find a checklist as to what illnesses require your child to stay home. Homestead Court Club is responsible for the care and wellbeing for all children enrolled. The Director and staff are ultimately the judge as to whether or not a child is healthy enough to attend the program.

Symptoms and illnesses that require a child to stay home:

- Colored discharge accompanied with another symptom,
- Fever over 100.5,
- Vomiting
- Diarrhea,
- Strep,
- Chicken Pox,
- Rashes,
- Flu, (A child testing positive for Flu may not return to the program for 7 days post diagnosis)
- Pink Eye,
- RSV/Croup/Other respiratory diseases/persistent cough,
- Any other infectious disease.
- Please see COVID Protocol sheet for COVID related illness.

If your child experiences these symptoms while they are at home, please keep them home for at least 24 hours AFTER they are symptom free. Children experiencing these symptoms at Homestead programs will be sent home immediately. They will not be allowed to return for 24 hours after these symptoms subside. The use of over the counter medications does not mean that your child is well enough to attend Homestead's programs. If your child is prescribed antibiotics, they must have 3 doses before returning to Homestead's programs.

If a parent is called to pick up their ill child, a twenty minute time frame will be given for parent or authorized adult to pick up ill child.

Parents are expected to abide by Homestead Court Club's Illness Policy for Children's Programs as it is written. Families who violate this policy will receive a verbal warning. If a family continuously violates this policy, they will be asked to withdraw from the program.

HCC's Behavior Policy for Children's Programs

Homestead Clubhouse believes in a positive approach to discipline and is committed to providing an environment where children feel safe, comfortable and have a genuinely good time. Behavior management policies shall be followed to protect the safety of all children and staff.

Staff shall ensure that each child is provided with a positive model of acceptable behavior. Children are encouraged to practice those skills that will allow them to resolve conflicts and have their needs met without the use of aggressive or destructive behaviors. This is a means of preventing behavior difficulties between children and lessen the need for disciplinary action on the part of staff. When situations occur, which require intervention, staff should provide children with clear explanations as to why specific behavior is inappropriate and help them to find an alternative behavior that fits within Clubhouse guidelines. These guidelines revolve around the concern for safety of all children and for the materials within the Clubhouse. Children will be encouraged to set short, positive rules for the Clubhouse.

If a child is displaying persistent, unacceptable behavior, the staff will take steps to help the child gain self-control. A staff person will first attempt to help the child understand the gravity of the behavior. Staff will then redirect the child to activities that hold the child's attention. This choice will be made with the child. If the behavior continues, the staff person will consult with fellow staff members and/or the director to develop alternatives for helping the child gain acceptable control of his/her behavior. If the problem persists, staff will contact the child's parent for suggestions and measures to take to extinguish the behavior. The goal is to help the child strengthen his/her skills of self-control. If the problem continues to persist, staff will fill out a Positive Behavior Support Form and inform the parent or guardian at pick up time of the child's behavior. (Staff will set a time with the parent or guardian to meet and collaborate to create a Positive Behavior Support Plan.) Separating the child from the group is a final step that would be taken if all other measures have been tried. If the child can not resort to behavior that ensures his/her own safety and the safety of others in the Clubhouse, and/or smooth operation of the program; the parent will be contacted and asked to pick up the child from the program.

Staff members must adhere to the following policies:

- No child should be subjected to emotional abuse, which includes but is not limited to name calling, ostracism, shaming, making derogatory remarks about a child or the child's family, and using language that threatens, humiliates, or frightens the child.
- No child should be subjected to cruel discipline. Physical restraint is prohibited, unless necessary to protect the health and safety of the child or others.
- No child should be subjected to the use of mechanical restraints, such as tying.
- No child should be subjected to corporal punishment, which includes but is not limited to rough handling, shoving, hair pulling, ear pulling, shaking, slapping, kicking, biting, pinching, hitting, or spanking.
- No child should be force fed or denied food as a punishment for unacceptable behavior. Neither will food be given as a reward for good behavior.
