Email is required at sign up. All league line ups are emailed to players weekly prior to play. Players play one set no-ad scoring (receivers choose) with each player on their court, tie breaker played a 4-all. Set is first to 5 games. Player with the most games won on your court moves up (or stays if on top court, court 7) and the player with the least games won moves down a court (or stays if on bottom court, court 8). The other two players stay on the same court for their match the next week. If you are unsure about your NTRP level, a Homestead tennis pro will assess your NTRP level.
