Yoga for Everyone 8:30-10:30 on Tuesdays with Terry Copeland

Terry welcomes everyone for any duration, at any time. She would love to have you stay for the full two hours, but if you only have a few minutes to breathe and move with us please come when you can, you are not disturbing. Terry will adapt the class to the wants/needs and timeline of those in attendance. Popular format: 8:30-9:30 yoga with foam rollers (facilitates stretching) 9:30- 5-10 min mid class Savasana (guided meditation/relax/recover/china gel option) 9:40-10:30- yoga stretches/balances at the bar and flows/challenges/class choices.

Noah will be taking over Justin's Monday 20/20/20 class beginning 6/5

Fitness Class Descriptions

20/20/20 - An invigorating, fast paced fitness class that challenges your endurance. You will utilize various forms of fitness equipment totaling 20 minutes of intervals, 20 minutes of weights, and 20 minutes of core.

ABSolutely Pilates - Improve core strength and stabilization as you move through this fluid series of floor work exercises designed to strengthen your entire body, improve posture and increase flexibility. Cultivate mindfulness in your movement as precision and flow is emphasized.

GET LIFTED — Get Lifted is a unique fitness class that will use a combination of plyometric exercises and lifting weights, keeping the heart rate up for an all around fat burning work out!

POWER YOGA – This powerful, energetic, playful flowing class has a strong emphasis on breath and allows beginners, intermediate and advanced students to be challenged in the same class. Expect to sweat and challenge yourself with movement and powerful, athletic postures, inventive and thoughtful sequences of sun salutations, standing and seated postures, back bending, and inversions guided by a steady breath to tone and calm the mind. Power Yoga flow will tone, strengthen and rinse your body, clear your mind and leave you with a sense of accomplishment and empowerment.

PRIMAL POWER — What if you could optimize for 30% more longevity, significantly boost your athletic performance, release your emotions, prevent brain deterioration, play like a child, and practice mobility like a jungle cat in one workout a week? Complimenting Super Slow Resistance Training, this session is sure to keep your bones strong, increase your power output (essential for practically every sport), and enjoy mobility like you haven't had since you were a kid. Expect to play, learn, & grow with this judgement-free session involving calisthenics, plyometrics, dance moves, and more. Bulletproof the body, let your emotions flow, and optimize brain performance through movement with Noah.

S.I.T. – “Strength and Interval Training” Another high energy conditioning class utilizing the step, bosu, weights and intervals to keep your heart pumping!

SS STRENGTH & MOBILITY — Join Noah for Scientific Super Slow Resistance to build a great physique, balance the musculoskeletal system, and enjoy significant strength gains without the wear and tear on joints. Rediscover mobility while optimizing your body for longevity with foam-rolling and stretching towards the end of the class. This session is great for all ages and ability levels because there is very little risk of injury and one starts with whatever level of resistance and range of motion manageable. Watch yourself progress from week to week and stay excited!

LIFT THE BARRE — This fast-paced and fun class provides a complete body workout and incorporates strengthening and toning of muscles, sustained cardio and intervals, barre work, and finishes with core work and stretching for a well-balanced total body workout!

FIT HAPPENS — This dynamic class is great for all levels. It features mixed intervals of resistance training, cardio blasts, and core work. You can plan to expect the unexpected, as each class will be uniquely designed to challenge you to the max with having FUN!
