If the Air Quality Index level has reached 101 or above, campers will remain inside with various games and activities.

When inclement weather becomes an issue, cancellation of the Homestead Clubhouse will be determined by the camp director and the Clubhouse staff. We will make this information available as soon as a decision has been reached.

If the Homestead Clubhouse is closed due to weather, a charge will not be made for that day.

If the Homestead Clubhouse is closed early due to weather, the camp staff will notify parents as early in the day as possible. Parents will be responsible for picking up their children or arranging a ride home with an authorized adult. Credit will not be issued for partial camp days.

#### **Disaster Preparedness/Lost Child**

In the event that a natural disaster such as a tornado, fire, or flood, a copy of all emergency information on campers and staff will be left on site at Homestead Court Club as well as participants and staff in attendance. This will be available to local authorities and camp personnel to notify parents/guardians.

Fire, Lockdown, Active Shooter, and Shelter in Place drills will be talked about and practiced by children and counselors on a monthly basis and kept on file. In the event of an emergency, staff will immediately call 911 and then parents/guardians next. Parents/guardians must provide written authorization for emergency medical care and all pertinent information regarding emergency parent/guardian contact.

In the event of an evacuation with a child with disabilities, staff will have addressed any access and functional requirements specific to the child with the disability upon program enrollment.

In the event of a lost child, additional staff will be provided to conduct an expansive search of the facility and surrounding area. The parent/guardian and appropriate authorities will be notified when necessary.

#### **Special Needs**

We will provide reasonable accommodations, modifications and services in accordance with the needs of a camper's disability. Parents must communicate the child's physical, emotional and/or cognitive needs with the Camp Director *prior* to the first day of attendance. A meeting with the parent/guardian will need to take place to identify the needs of the child and ways those needs can be met. As long as meeting those needs does not fundamentally alter the program or require additional staff members, the child will be admitted to the program. Youth who pose a direct threat to the health and/or safety of others in the program will not be allowed to participate in programing. If your child receives a medical diagnosis after yearly forms are turned in, it is the parents responsibility to update enrollment forms.

#### Accident/Injury

If a child has an accident, or is injured while in the care of Homestead staff, an Incident Report will be filled out and signed by the counselor on duty. This report will be reviewed, and signed, by the Director and parent. In the event of the accident /injury being an emergency, staff will call 911 and notify the parent immediately.

#### Illness and Medication

Health records are required and kept in each child's file. All known information about drug reactions, allergies, medications, and specific diets or conditions must be included in your child's enrollment information. Immunization records, or documentation of medial/personal exemption, must be provided and kept on file in the child's records.

Please do not send sick individuals to camp. Your child should be symptom free for 24 hours before they are able to attend programming. If your child does not attend school due to illness, they cannot attend after school programming that day. If your child becomes sick while in attendance at the program, a parent/ guardian will be immediately contacted for pick up and your child will be removed from the main group. Your child will be able to be viewed and heard by camp staff at all times.

If your child has medication needs while attending Homestead Court Club's children's programs, please contact the Director for procedures required by the State of Colorado. The storage of medication out of reach of children will be strictly enforced. The administration of medication will only be conducted by trained staff members.

#### Meals and Snacks

Participants should bring a nutritious snack and a water bottle labeled with their name. Water will be available at all times.

Please note that campers must bring a cold lunch on a camp day. Campers do not have use of a refrigerator or microwave.

Homestead after school will provide an afternoon snack to the program participants each day. Clubhouse camp will provide a morning and afternoon snack each day. Parents are strongly encouraged to send additional snacks for their child to eat throughout the day.

Any food allergies or special accommodations that need to be made should be clearly specified on the medical forms and discussed with the program Director. It is strongly encouraged that you bring snacks for your child if they have any food allergies, sensitivities, growing appetite, or food aversions.

#### When We Can No Longer Serve a Child

We will notify parents/guardians in writing of any changes to our program, policies and procedures.

Campers may be suspended from the Homestead Clubhouse program for a period of days, or permanently withdrawn from the program for the following reasons:

Excessive late pick-up (3 or more)
Discipline/Behavioral problems (3 or more)
Nonpayment of fees
Uncooperative parents

Suspension may be more appropriate than withdrawal if the three disciplinary/behavioral offenses were over an extended period of time.

We reserve the right to refuse service or dismiss any child from the Homestead Clubhouse.

#### Arrival/Departure

Check in/out will be located in the Clubhouse Room, unless special circumstances apply and a sign is posted.

After School Program participants must arrive **no** earlier than 3:00pm and be picked up **no** later than 6:00pm. Clubhouse campers must arrive **no** earlier than 8:30AM and be picked up **no** later than 5:15PM. A fee of \$1/minute per minute late will be charged to your daily fee.

#### **Attendance**

#### Sign In/Out

An authorized adult will be asked to check the camper(s) in/out each day. Please initial next to your child's name and note the time of drop off/pick up. If the staff is unfamiliar with the authorized adult, a photo ID must be provided in order for the child to be released. Our sign in/out procedures are intended for the safety of the campers and others.

#### Absent

Parents/Guardians must notify the Director if their child is going to be absent. A camp director can be reached at 970-926-1067. If no one answers, please leave a message with the date, time, and reason for your child's absence.

In the event of late arrival, it is the parent's responsibility to sign their child in and locate the camp counselors. The Homestead Court Club front desk will have information on the location of the after school or camp group.

#### Late Pick Up

If a child is still present after the designated pick up time, the staff will attempt to contact the parent/guardian and authorized adults listed to pick up the camper within a half hour. If the half hour has passed and authorized adults cannot be located, the staff will call Social Services and the police. Three late pick ups will result in removal from program.

#### **Unauthorized Adults**

Campers will only be released to those adults who are listed as an authorized pick up. \*Sheets for additional authorized pick ups are available. Please ask the Director for assistance.

If an unauthorized adult attempts to pick up a child from camp, the parents and police will be contacted. The unauthorized visitor will be asked to leave the premises.

#### Identifying Where Children are at all Times/Supervision

Staff are responsible to visually supervise youth present at all times.

Roll call will be conducted by the counselors at regular intervals during the day. No one is allowed to leave the program property during the day at any time unless accompanied by a counselor and cleared with the program Director. Attendance will be documented during program transitions.

Staff is not responsible for lost or stolen money

#### Sunscreen/Bug spray

In the event that a parent has not applied sunscreen to their child, and the sunscreen waiver has been signed by a parent, camp staff will assist with the application of sunscreen to the child. Sunscreen will not be applied to broken skin, or if a skin reaction is observed. Each child is required to provide their own sun screen stick and bug spray if needed.

## Homestead Court Club's Illness Policy for Children's Programs

It is often difficult for parents to know whether their children are too sick to attend school. To limit the germs spread, please keep your children home when they are sick. Below you will find a checklist as to what illnesses require your child to stay home. Homestead Court Club is responsible for the care and wellbeing for all children enrolled. The Director and staff are ultimately the judge as to whether or not a child is healthy enough to attend the program.

Symptoms and illnesses that require a child to stay home:

- -Colored discharge accompanied with another symptom,
- -Fever over 100.5,
- -Vomiting
- -Diarrhea,
- -Strep,
- -Chicken Pox,
- -Rashes,
- -Flu,
- -Pink Eye,
- -RSV/Croup/Other respiratory diseases,
- -Any other infectious disease.
- HCC will refer to the latest COVID Symptoms Protocol sheet for COVID related illness and subsequent isolation/guarantine protocols.

Please see the Director for a list off illnesses and when to keep your child home.

If your child experiences these symptoms while they are at home, please keep them home for at least 24 hours AFTER they are symptom free. Children experiencing these symptoms at Homestead programs will be sent home immediately. They will not be allowed to return for 24 hours after these symptoms subside. The use of over the counter medications does not mean that your child is well enough to attend Homestead's programs. If your child is prescribed antibiotics, they must have 3 doses before returning to Homestead's programs.

Parents are expected to abide by Homestead Court Club's Illness Policy for Children's Programs as it is written. Families who violate this policy will receive a verbal warning. If a family continuously violates this policy, they will be asked to withdraw from the program.

## HCC's Behavior Policy for Children's Programs

Homestead Clubhouse believes in a positive approach to discipline and is committed to providing an environment where children feel safe, comfortable and have a genuinely good time. Behavior management policies shall be followed to protect the safety of all children and staff.

Staff shall ensure that each child is provided with a positive model of acceptable behavior. Children are encouraged to practice those skills that will allow them to resolve conflicts and have their needs met without the use of aggressive or destructive behaviors. This is a means of preventing behavior difficulties between children and lessen the need for disciplinary action on the part of staff. When situations occur, which require intervention, staff should provide children with clear explanations as to why specific behavior is inappropriate and help them to find an alternative behavior that fits within Clubhouse guidelines. These guidelines revolve around the concern for safety of all children and for the materials within the Clubhouse. Children will be encouraged to set short, positive rules for the Clubhouse.

If a child is displaying persistent, unacceptable behavior, the staff will take steps to help the child gain self-control. A staff person will first attempt to help the child understand the gravity of the behavior. Staff will then redirect the child to activities that hold the child's attention. This choice will be made with the child. If the behavior continues, the staff person will consult with fellow staff members and/or the director to develop alternatives for helping the child gain acceptable control of his/her behavior. If the problem persists, staff will contact the child's parent for suggestions and measures to take to extinguish the behavior. The goal is to help the child strengthen his/her skills of self- control. If the problem continues to persist, staff will fill out a Positive Behavior Support Form and inform the parent or guardian at pick up time of the child's behavior. (Staff will set a time with the parent or guardian to meet and collaborate to create a Positive Behavior Support Plan.) Separating the child from the group is a final step that would be taken if all other measures have been tired. If the child can not resort to behavior that ensures his/her own safety and the safety of others in the Clubhouse, and/or smooth operation of the program; the parent will be contacted and asked to pick up the child from the program.

In the event that a child had gone through all necessary steps above and additional intervention is needed, Homestead staff will share information to access early childhood mental health consultant or other specialists. Early Childhood Mental Health Line: 833-326-4411

Staff members must adhere to the following policies:

- No child should be subjected to emotional abuse, which includes but is not limited to name calling, ostracism, shaming, making derogatory remarks about a child or the child's family, and using language that threatens, humiliates, or frightens the child.
- No child should be subjected to cruel discipline. Physical restraint is prohibited, unless necessary to protect the health and safety of the child or others.
